

You can now stream CLEP reviews. Watching the lectures will boost your success rate over using a book alone. The lessons can be watched on phones, iPods, computers and tablets. When using wifi the content is free. Data charges might apply when streaming to a phone.

The following CLEP examinations have lessons available for streaming:

Humanities
Natural Science
College Composition
College Mathematics
Social Science and History
Algebra
American Government
American Literature
Analyzing and Interpreting Literature
Biology
Business Law
Chemistry
Principles of Management
Psychology
US History I
US History II
