

Resident Colleges and Universities

Education Assistance Branch ♦ Camp Lejeune-New River (REV 20190104)

General Information:

The Education Assistance Branch (EAB) coordinates with the resident colleges and universities aboard Camp Lejeune and MCAS New River to ensure that there is a large selection of degrees available with both in-class and online course offerings from the vocational level through the masters level.

This sheet lists face-to-face classes/degrees only; please check with the specific school for online degree options.

Non-Resident School's Office Hours:

The Education Assistance Branch (EAB) is working with non-resident colleges and universities to offer regularly scheduled office hours for currently enrolled students who are seeking face-to-face academic advisement and financial aid advisement from their individual colleges or universities.

Please call 450-9081 or 451-3091 for the date and time the visiting school will be aboard both location.
