### **ONLINE TEST PREP WEBSITES:**

These tests are the equivalent of a full semester of a college course condensed into a 90-minute final. Therefore, assess your readiness by taking practice exams before you spend time or money on the actual test. These preparatory materials are located in the "TEST SECTION" of the base Library. Additional resources available online. These websites are not necessarily sponsored or supported by the John A. Lejeune Education Center. They are provided only as a convenience.
