Who: Any authorized patron with a newborn baby.

How: Parents of a newborn must visit a participating MCX within 60 days of the birth of their child and present a copy of the birth certificate to Customer Service. In turn, the parent will receive a $10 MCX coupon!

Why: Just another way your MCX is giving something back to the Marine Corps family.

OUR ADVERTISING POLICY
We try to have adequate stock of advertised items. When out-of-stocks occur, we offer a substitute item at a comparable value. To maximize stock available to our customers, we may limit quantities. Items not available at all locations and may vary by location. We are not responsible for printer’s or typographical errors. Items advertised will be current through 1 February 2016.

Item not available at your location? Ask an associate about special orders!
Congratulations on your upcoming arrival!

What an exciting and overwhelming time it is! As a mom to a little one myself, I know shopping for your bundle of joy can be a very intimidating process.

Cribs, car seats, bottles, and pacifiers…all words that probably weren’t in your vocabulary just a few short months ago.

To help ease this process we’ve created a buying guide to help get you started. This guide is designed to assist you in setting up your nursery, deciding which stroller is the right choice for your lifestyle, and which car seat is the perfect fit for your little one.

We understand that as a military family you are faced with unique challenges. So rest assured we are here to help provide you with the most up-to-date quality assortment at an everyday value for the newest member of your family.

Need help to find what you’re looking for? Please ask any sales associate about our special order process. We have access to thousands of additional items that may not be stocked on our shelves. We are happy to order for you at our amazing MCX value.

Best of luck to you and your family on the adventure that you are about to embark on. Being a parent is truly one of life’s greatest blessings.

Sincerely,

Jodi
Children’s Buyer, MCX
Choosing your perfect breast pump

**Frequent**
Ideal for moms who plan to work full time. Top-grade double electric breast pumps have greater suction speed and pump more milk in less time.

**Occasional**
Going back to work part-time? Speed may not be a priority; single electric pumps offer adjustable speed and vacuum.

**Now & Then**
Perfect for when baby sleeps longer or mom needs some time away. Manual breast pumps are ideal for quick relief from discomfort when baby misses a feeding.

Did you know?

Your health insurance plan may pay for your breast pump.

The Affordable Care Act now requires health plans to cover breastfeeding support and supplies. Contact your insurance provider to see what your benefits include.

First Essentials Clearview Bottle has a slow flow silicone vented nipple designed to reduce the amount of swallowed air to reduce colic. Ribs and vent help prevent nipple collapse.

NUK
NUK® Orthodontic Bottles promote healthy development, and the asymmetrical nipple design encourages proper jaw positioning. The unique drinking hole on the top side of the nipple aids digestion and helps prevent colic, spit-up, and gas.

Gerber
First Essentials Clearview Bottle has a slow flow silicone vented nipple designed to reduce the amount of swallowed air to reduce colic. Ribs and vent help prevent nipple collapse.
Avent
Philips AVENT Natural Bottle is the most natural way to bottle feed. The wide, breast-shaped nipple on the Natural bottle promote natural latch-on so you can easily combine breast feeding and bottle feeding. Assembly is simple with only a few parts and the wide bottle neck makes filling and cleaning easy.

Dr. Brown’s
The Dr. Brown’s Natural Flow Standard Baby Bottles offer a wonderful feeding experience with innovative vent technology. This system creates positive-pressure flow for vacuum-free feeding that is similar to breast feeding.

Dr. Brown’s
The Dr. Brown’s Natural Flow Wide-Neck Baby Bottles offer a wonderful feeding experience with innovative vent technology. The vent system eliminates air bubbles in the formula or milk, which helps to reduce feeding problems like colic, spit-up, burping and gas. Each bottle comes with 1 Level-One silicone nipple, 1 two-piece patented internal vent system, 1 cleaning brush and instructions.

Medela
Breast milk bottle made with safe, BPA-free polypropylene that retains breast milk’s beneficial properties. Bottles are compatible with all Medela breast pumps allowing you to pump, store, and feed all in one container. Cleaning couldn’t be easier with these dishwasher safe bottles.

Choosing your perfect breast pump

**Frequent**
Ideal for moms who plan to work full time. Top-grade double electric breast pumps have greater suction speed and pump more milk in less time.

**Occasional**
Going back to work part-time? Speed may not be a priority; single electric pumps offer adjustable speed and vacuum.

**Now & Then**
Perfect for when baby sleeps longer or mom needs some time away. Manual breast pumps are ideal for quick relief from discomfort when baby misses a feeding.

**Did you know?**

Your health insurance plan may pay for your breast pump.

The Affordable Care Act now requires health plans to cover breastfeeding support and supplies. Contact your insurance provider to see what your benefits include.
Congratulations on your upcoming arrival!

What an exciting and overwhelming time it is! As a mom to a little one myself, I know shopping for your bundle of joy can be a very intimidating process.

Cots, car seats, bottles, and pacifiers... all words that probably weren’t in your vocabulary just a few short months ago.

To help ease this process we’ve created a buying guide to help get you started. This guide is designed to assist you in setting up your nursery, deciding which stroller is the right choice for your lifestyle, and which car seat is the perfect fit for your little one.

We understand that as a military family you are faced with unique challenges. So rest assured we are here to help provide you with the most up-to-date quality assortment at an everyday value for the newest member of your family.

Need help to find what you’re looking for? Please ask any sales associate about our special order process. We have access to thousands of additional items that may not be stocked on our shelves. We are happy to order for you at our amazing MCX value.

Best of luck to you and your family on the adventure that you are about to embark on. Being a parent is truly one of life’s greatest blessings.

Sincerely,

Jodi

Children’s Buyer, MCX

Who: Any authorized patron with a newborn baby.

How: Parents of a newborn must visit a participating MCX within 60 days of the birth of their child and present a copy of the birth certificate to Customer Service. In turn, the parent will receive a $10 MCX coupon!

Why: Just another way your MCX is giving something back to the Marine Corps family.

See back cover for details!
