

What is VPP?

The Voluntary Protection Program (VPP) promotes effective worksite-based safety and health practices.

How Does VPP Work?

VPP sets performance-based criteria for a managed safety and health system through the reduction of mishaps. Reductions in injuries and illnesses begin when the site commits to the VPP approach to safety and health management.

THE GOAL

Fewer injuries and illnesses for you and your coworkers.

GET INVOLVED
STOP THE MISHAPS &
NEAR MISSES!

- Analysis
- Inspections
- Reporting
- Investigation
- Prevention/Elimination/Correction
- Safety and Health Training

*Safety is
everyone's
responsibility!*
