## CAREER EXPLORATION AND PLANNING TRACK

This workshop offers a unique opportunity to identify skills, increase awareness of training and credentialing programs, and develop an action plan to achieve career goals.

Service members and spouses who attend the two-day Department of Labor Career Exploration and Planning Track (CEPT) workshop will complete personalized career development assessments of occupational interest, aptitudes, and work values. These assessments will present workshop participants with a variety of tailored job recommendations aligned with their interests and aptitudes, some of which are classified as “high demand” or “high growth” occupations.

Participants will learn to narrow their career focus by establishing achievable career goals and development strategies. Workshop facilitators will guide participants through a variety of career considerations including labor market projections, education, apprenticeships, certifications, and licensure requirements.”
